

It is **GOOD** to be **GREEN**

At our school we are encouraged to follow the school rules.

We should: Be respectful

Be kind and helpful

Do our best at everything we do

Look after school property

Listen to others (especially adults)

Be honest.

If we go all day without a yellow or a red card we get a point for being **GREEN**. This is how it works:

**GREEN**: If we follow the school rules and listen to reminders, our card stays on **GREEN**.

**YELLOW**: If our teacher has to give us a few verbal reminders to follow the rules we turn our card to yellow - a reminder to focus.

**RED**: If we continue not to follow instructions we will be put on a red card and have to miss five minutes of playtime.

5 days in a row on **GREEN**- we get a sticker  
15 **GREEN** points we get a paper wristband saying *Good Behaviour*.

If we get 75% of our points in a 3-4 week period we are rewarded with Golden Time. (Golden is usually twice a half-term.)

Our teachers will let our parents know if we get too many red cards or our behaviour is not very good.

Also, we start back on **GREEN** at the beginning of the day and after lunch.
