Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited resources means that not all children receiving free school meals will be in receipt of Pupil Premium interventions at one time.

Provision

- Providing small group work with a teacher in the mornings for English and Maths to focus on overcoming gaps in learning.
- Providing 1:1 or 1:3 work three times a week in the afternoon for Handwriting, Spelling, Reading and Maths
- All our work through the Pupil Premium is aimed at accelerating progress - moving children to at least age related expectations. Initially this is in English and Maths.
- Pupil Premium resources are also used to support pupils and families through working with an independent Pastoral Support Consultant.
