

Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool
Revised December 2017

Commissioned by
Department for Education

Created by

**YOUTH
SPORT
TRUST**

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Pupils are more active during lunch time and play times.</p> <p>Pupils have had a range of opportunities to participate in sports which are unfamiliar to them.</p> <p>Pupils understand the importance of Physical Education as a part of the school curriculum and behaviour during lessons has improved.</p> <p>There is a more positive attitude towards active participation.</p> <p>The highlighted achievement from last year was the school earned its first- first place trophy in decades. (Spalding Area Small Schools High-Five Netball Tournament.)</p>	<p>Participate in more inter-school sports.</p> <p>Take proactive measures to encourage a healthier lifestyle for pupils and families.</p> <p>Continue to provide a range of activities during lunch and play times.</p> <p>Develop the active outdoor provision for Reception and Year 1 pupils.</p>

Meeting national curriculum requirements for swimming and water safety (based on when pupils were in Year 5) Swimming sessions are booked for end of May-July.	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	Swimming assessments in June-July
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	Swimming assessments in June-July
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Swimming assessments in June-July
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes Yes.
